“Outstanding Cottage ”

The cottage has had a recent extension to the kitchen which is well equipped, the lounge and bedrooms are well furnished and very comfortable; it is not like a normal holiday rental in fact you could quite easily live there on a permanent basis. The gym and heated pool are fantastic and well cared for. The sauna is great for which there is a nominal charge. We hired the on site bikes for a day to explore the Tarka trail which is easily reached just down the lane ands across the main road. We will definitely return and would highly recommend this lovely rental. Left on Feb 25, 2018 for a stay in Feb 2018.

“Fantastic accommodation with great facilities! ”

Our group consisted of 3 families including a new-born baby - just 1 day old! The facilities were faultless and endless, there was plenty to do for everyone even when the weather was not at its best. The children loved the pool especially the jets and the games room was put to very good use. Sue and her family were very welcoming and nothing was too much trouble. From the moment we made our first enquiry, Sue was helpful and informative. The barn was well equipped and everything was well thought out. We are already planning our return trip! Left on Feb 16, 2018 for a stay in Nov 2017.

Number Eight Bideford

When on holiday there is nothing better than sampling fine exquisitely prepared food, however finding that ' special ' place for a memorable evening can sometimes be challenging. Rest assured you are sure to enjoy the delights on offer at the recently opened Number Eight fine dining restaurant in nearby Bideford. Already carving themselves out an enviable reputation locally the young team behind Number Eight are Joshua and Chloe, both with many years experience in fine dining establishments. Chloe heads up the front of house where her attentive yet unobtrusive service shines through whilst partner Joshua strives tirelessly to produce dishes from fresh local produce which are quite simply stunning. The ever changing menu is ample but not over large allowing for much attention to detail – this is one of our top personal recommendations locally, but as it becomes more widely known booking well in advance is advised, especially for that special occasion. Why not check out their website and give Chloe a call and experience Number Eight for yourself – you surely won't be disappointed!
